

Social Impact Fellows

Social Impact Fellows are MBA and MSW students working together on innovative solutions to social problems while enhancing their analytic skills in an interdisciplinary experience that brings the non-profit and for-profit world together without sacrificing the benefits of each.

Details

- Ten-week summer experience and social innovation class
- MBA and MSW students work in pairs at organizations in WNY
- Educational compensation includes a stipend, tuition & fees for the three-credit class
- Meets MBA internship requirements but does not satisfy MSW field education requirements
