

# LOOKING FOR A FABULOUS SUMMER FELLOWSHIP

Interested in working with a WNY organization to tackle social issues? If you are a junior, senior or 1st year MBA in the SOM, or an advanced year MSW student (as of summer 2017), and are looking for a paid (modest stipend) summer opportunity at a mission-driven organization, attend an information session to learn more about the **Social Impact Fellowship**.

## OVERVIEW

- The Fellowship is an eight-week summer program, June 5-July 28, 2017 with a four-day orientation prior to the internship, May 22-25, 2017 (1 - 4:30pm each day).
- Students will explore and implement innovative solutions in eight organizations that are working to address a variety of social issues troubling our region. Two students—one MSW student and one SOM student—will be co-placed at each location.
- Students will be compensated for a 3-credit class (tuition & fees) and offered a modest stipend.
- Program will be a resume-builder and increase marketability of program participants.
- **Note that completing this Fellowship will not satisfy any field education requirements for the MSW program.**
